

ISUZU TECH2 DIAGNOSTIC SOFTWARE APPLICATION TABLE V11.710

For general export market and domestic market

From 1998 to 2011

Important Information:

Because the memory card is only 32M,It's impossible to write all the software into one memory card.If you want to test the vehicles before 1999,please use another memory card with software V10.XXX.

If you need to test ISUZU CAN based truck with Euro4 or Euro5 emission standard,please buy CAN based diagnostic software card. Now we can supply V177.100 software card(2006 to 2015).

Software languages
